Who? We are people of action who care about each other and the larger community. We strive to make the world a better place through partnering with like-minded organizations on local and global service projects. Our members are engaged, enjoy each other's company, and come from diverse economic, cultural, and professional backgrounds.

Why? We raise money to give it away to worthy causes in our community and beyond.

Locally we provide volunteers and funding to support the Brookline Food Pantry, Brookline Thrives, The Brookline Teen Center, Women Thriving, the Senior Center, and many more.

Internationally we helped to create a dental clinic in Honduras, ensured clean water for two towns in Honduras and Nicaragua, sent volunteers abroad to End Polio Now, and are supporting humanitarian relief efforts in times of earthquake, fire, and war.
